

Whole School Attendance Policy

Introduction:

At Carleton Green Community Primary School we aim to create an interesting, stimulating and friendly environment, where each individual can feel secure and valued and will develop his or her potential.

We strongly believe that we are preparing children to participate and contribute to both their local and wider communities. Our continuing success depends on a partnership with them and between children, their families, school staff and governors.

Carleton Green Community Primary School seeks to ensure that all its pupils receive a full-time education which maximises opportunities for each pupil to realise his/her true potential.

All school staff will work with pupils and their families to ensure each pupil attends school regularly and punctually.

For our children to gain the greatest benefit from their education it is vital that they attend regularly and your child should be at school, on time, every day that the school is open unless the reason for the absence is unavoidable.

It is very important therefore that you make sure that your child attends regularly and this Policy sets out how, together, we will achieve this.

Why Regular Attendance is so important:

Any absence affects the pattern of a child's schooling and regular absence will seriously affect their learning. Any pupil's absence disrupts teaching routines so may affect the learning of others in the same class. Ensuring your child's regular attendance at school is your legal responsibility and permitting absence from school without a good reason creates an offence in law and may result in prosecution.

Promoting Regular Attendance:

Helping to create a pattern of regular attendance is everybody's responsibility - parents, pupils and all members of school staff.

To help us all to focus on this we will:

- Promote a culture across the school which identifies the importance of regular and punctual attendance;
- Give you details on attendance in our regular newsletter;
- Report to you termly on how your child is performing in school, what their attendance and punctuality rate is and how this relates to their attainment;
- Celebrate good attendance by displaying class achievements;
- Reward good or improving attendance through certificates and non uniform days;
- Carry out transition work with pupils moving between pre school and reception and before leaving for high school;
- Run promotional events when parents, pupils and staff can work together on raising attendance levels across the school each half term;
- Further develop positive and consistent communication between home and school by using homework books, reading records and, where appropriate, chat books;
- Make attendance and punctuality a priority for everyone associated with school, including parents, pupils, staff and governors;
- Set targets to improve individual pupil and whole school attendance.
- Require copies of appointment cards for medical appointments to be taken during the school day.

Understanding types of absence:

Every half-day absence from school has to be classified by the school as either AUTHORISED or UNAUTHORISED. This is why information about the cause of any absence is always required.

Authorised absences are mornings or afternoons away from school for a good reason like illness, medical/dental appointments which unavoidably fall in school time, emergencies or other unavoidable cause.

Unauthorised absences are those which the school does not consider reasonable and for which no 'leave' has been given. This type of absence can lead to the Authority using sanctions and/or legal proceedings. This includes:

- Parents/carers keeping children off school unnecessarily
- truancy before or during the school day
- absences which have never been properly explained
- children who arrive at school after the register has closed

- shopping, looking after other children or birthdays
- day trips and holidays in term time which have not been agreed
- days that exceed the amount of leave agreed by the Headteacher

Parents should be aware that the decision whether to authorise an absence or not rests with the school. Hence, if there is any ambiguity relating to an absence, school may request further evidence from parents before an absence may be authorised. This may be in the form of a prescription or appointment card or similar.

Whilst any child may be off school because they are ill, sometimes they can be reluctant to attend school. Any problems with regular attendance are best sorted out between the school, the parents and the child. If your child is reluctant to attend school it is better to speak to school to resolve the issue, rather than trying to cover up their absence, or give in to pressure to let them stay at home. This gives the impression that attendance does not matter and usually make things worse.

Persistent Absenteeism (PA):

Schools are 'measured' both on their whole school attendance rate, *and* the level of persistent absentees within school. A persistently absent pupil is one whose attendance is at or below 90% at any point during the academic year. Schools should aim to intervene to improve a pupil's attendance prior to them becoming a 'persistent absentee'. The following thresholds are intended as a guide as to when a pupil may be classed as a persistent absentee and are roughly equivalent to an attendance rate of 90% at certain points throughout the year:

Half term 1 : 7 sessions of absence
 Half term 1-2 : 14 sessions of absence
 Half term 1-3 : 20 sessions of absence
 Half term 1-4 : 25 sessions of absence
 Half term 1-5 : 31 sessions of absence
 Half term 1-6 : 38 sessions of absence

Absence at this level is doing considerable damage to any child's educational prospects and we need parents' fullest support and co-operation to tackle this.

We monitor all absence thoroughly. When any pupils attendance reaches 96% they are more likely to reach the PA threshold and will therefore be given priority consideration, and parents will be informed of this immediately. PA pupils are tracked and monitored carefully through our pastoral system and we also combine this with academic mentoring where absence affects attainment.

All our PA pupils and their parents are subject to an Action Plan and the plan may include: allocation of additional support through a Mentor, use of circle time, individual incentive programmes, parenting contracts and participation

in group activities around raising attendance. All PA cases are also automatically made known to the Local Authority School Attendance Team.

Absence Procedures:

If your child is absent you must:

- Contact us as soon as possible on the first day of absence, either by phone or you can call into school and report to reception

If your child is absent we will:

- Telephone you on the first day of absence if we have not heard from you;
- Invite you in to discuss the situation with our in-school Attendance Lead and/or Headteacher if absences persist;
- Refer the matter to the Local Authority School Attendance Team where appropriate as per Local Authority protocol.

Telephone numbers:

There are times when we need to contact parents about lots of things, including absence, so we need to have your contact numbers at all times. So help us to help you and your child by making sure we always have an up to date number – if we don't then something important may be missed. There will be regular checks on telephone numbers throughout the year.

In-School Strategies to Improve Attendance/Punctuality

Parents are expected to contact school at an early stage and to work with the staff in resolving any problems together. This is nearly always successful. School may consider using the following strategies to help support parents in improving their child's attendance and/or punctuality. This includes:

- Meetings in school between parents, pupils, pastoral staff and the Headteacher;
- Parenting contracts;
- Use of the Common Assessment Framework (CAF) and/ or referral to outside agencies (including the Local Authority School Attendance Team)
- Attendance panels
- Penalty notices

The Local Authority School Attendance Team:

If difficulties cannot be sorted out using in-school strategies, the school may refer the child to the Pupil Attendance Support Team (PAST). They will try to resolve the situation by agreement but, if other ways of trying to improve the child's attendance have failed, and unauthorised absences persist the case may be referred to the Court Officers, who can use sanctions such as Penalty Notices or prosecutions in the Magistrates Court. Full details of the options open to enforce attendance at school are available from the school or the Local Authority.

Lateness:

Poor punctuality is not acceptable. If your child misses the start of the day they can miss work and do not spend time with their class teacher getting vital information and news for the day. Late arriving pupils also disrupt lessons, which can be embarrassing for the child and can in turn, encourage absence. Being 10 minutes late every day throughout the academic year is the same as missing two weeks of school.

How we manage lateness:

The school day starts at **8.55am** and we expect your child to be in class at that time.

Registers are marked by **9.10am** and your child will receive a late mark if they are not in by that time.

At **9.10am** the registers will be closed. In accordance with the Regulations, if your child arrives after that time they will receive a mark that shows them to be on site, but this will **not** count as a present mark and it will mean they have an unauthorised absence. This may mean that you could face the possibility of a Penalty Notice if the problem persists.

If your child has a persistent late record you will be asked to meet with the Headteacher and/or a member of the pastoral support team to resolve the problem, but you can approach us at any time if you are having problems getting your child to school on time.

Leave in Term Time:

Taking a child out of school in term time will affect their schooling as much as any other absence and we expect parents to help us by not taking children away in school time.

Remember that any savings you think you may make by taking a holiday in school time are offset by the cost to your child's education.

There is **no** automatic entitlement in law to take leave during school time.

All applications for leave must be made, in advance, by the parent of residence using the 'Request for leave of absence' form from the school

office. Requests will only be authorised if the circumstances surrounding the request are considered to be exceptional.

It is important that you understand that leave in term time will **not** be agreed by us at any time unless circumstances surrounding the request can be evidenced, by parents, to be exceptional.

In considering the request we will also look at various factors such as:

- The timing of the request:

When a pupil is just starting the school, absences should be avoided as this is a very important transition period as your child needs to settle into their new environment as quickly as possible.

Pupils should not be absent where possible both immediately before and during assessment periods e.g. SATs or any other public examinations.

- When a pupil's attendance record already includes any level of unauthorised absence.
- Where a pupil's attendance rate is already below 95% or will fall to or below that level as a result of taking leave.
- other periods of leave which the pupil may have had, either during the current or previous academic year

Any period of leave taken without the agreement of the school, or in excess of that agreed, will be classed as unauthorised and may attract sanctions such as a Penalty Notice.

In certain circumstances, parents risk losing their child's place on the school role if the pupil does not return to school on the agreed return date. Readmission cannot be guaranteed.

The specific circumstances which outline when a pupil can be removed from role are laid out in Regulation 8 (1) (f) (i-iii) of The Education (Pupil Registration) (England) Regulations 2006 (Amended 2010 and 2013)

Religious Absence:

The school will authorise one day 'leave' (i.e. the day set aside by the Religious Body of which the parent is a member) per religious festival, e.g. Eid, . Parents must request this leave in advance.

Roles and responsibilities for attendance matters in this school:

Parents:

- Ensure children attend regularly and punctually

- Contact school on 1st day of absence
- Avoid any leave in term time and apply in advance using form
- Attendance at meetings in school
- Participation in Parenting Contracts and Common Assessment Framework, and cooperate in support and interventions offered by school or other agencies

Pupils:

- Acknowledge behaviour needed out of school, e.g. early bedtime
- Attend school/registration punctually
- Speak to parents/teacher if issues arise that may have an effect on school attendance
- Cooperate and participate in interventions and support offered by school or other agencies

Headteacher / (School Attendance Lead):

- Take the lead in ensuring attendance has a high profile within the school
- Ensure there are designated staff with day-to-day responsibility for attendance matters
- Ensure adequate, protected time is allocated to discharge these responsibilities
- Take overall responsibility for ensuring the school conforms to all statutory requirements in respect of attendance
- Consider each request for leave against the school's criteria, decide whether some or all of the leave will be authorised and notify parents of this decision
- Where there may be ambiguity regarding an absence, make the decision whether or not to authorise an absence or to request further evidence to support the decision making process

Designated Staff:

- First day response: Contact parents if a reason for absence has not been provided
- Input and update the attendance registers
- Regularly identify and monitor pupil, class and whole school attendance and punctuality levels, particularly that of vulnerable groups
- Regularly communicate pupil attendance and punctuality levels to parents
- Work with children and parents to remove barriers to regular and punctual attendance, following Absence Flowcharts 1, 2 and 3 (see appendix), and using Parenting Contracts where appropriate

All School Staff:

- Provide a welcoming atmosphere for children and provide a safe

learning environment

- Ensure an appropriate and responsive curriculum
- Provide a sympathetic response to any pupils' concerns
- To be aware of factors that can contribute to non-attendance
- To see pupils' attendance as the responsibility of **all** school staff
- Participate in training regarding school systems and procedures

Governors

- Adopt the whole-school policy and review regularly
- Monitor the consistent implementation of the attendance policy
- Set aspirational targets for improving the school's attendance figures
- Work with the Headteacher in establishing criteria against which leave requests will be considered. This is important to ensure the process is equitable and consistent

School targets, projects and special initiatives:

The school has targets to improve attendance and your child has an important part to play in meeting these targets.

We aim for each child to have 100% attendance with the minimum level of attendance for this school being 95%. We will keep you updated regularly about progress to this level and how your child's attendance compares. We know that good attendance is the key to successful schooling and we believe our pupils can be amongst the best in the area.

Through the school year we monitor absences and punctuality to show us where improvements need to be made. Information on any projects or initiatives that will focus on these areas will be provided in newsletter and we ask for your full support.

Summary:

The school has a legal duty to publish its absence figures to parents and to promote attendance. Equally, parents have a duty to make sure that their children attend.

All school staff are committed to working with parents and pupils, as this is the best way to ensure as high a level of attendance as possible.
