Issue 102 Week Ending 17<sup>th</sup> March

WOW!!! What an amazing week this has been!!!! I am forever bowled over by the overwhelming pride I feel for our pupils and my team. We have held a fabulous science week in school with children carrying out lots of investigative activities. We enjoyed sharing their highlights in our end of the week assembly today.

I believe the trip to the science show was a success and those lucky enough to secure a place enjoyed the experience. I must extend our thanks to Isabella Hargreaves' family for winning us the tickets. Our soil, sand and bark delivery required a team effort to relocate it around our school and so we also are incredibly grateful to the parent helpers that came to our rescue on Wednesday morning.

Miss Howarth's and Miss Watmough's dancers brought tears to my eyes on Tuesday evening when they opened the competition at The Marine Hall. Together they have worked incredibly hard and put on a very polished performance. Although not getting awarded a position they were most certainly winners in my eyes. Their conduct on and off stage are a credit to all.

Then Thursday evening I traipsed back to The Marine Hall to enjoy such a special evening with our choir. Each of the forty three members shone! Clearly the effort put into rehearsals has paid off as the children together with their talented teachers performed to such a high standard. To achieve the runner-up position and a place in the finals in June was well deserved.

Parents have emailed or tweeted to share their delight. Here are a few of their comments:

*"On Tuesday night I thoroughly enjoyed watching the children in the dance competition. They all did amazing. A huge thank you to Miss Howarth and Mrs Watmough who have put in so much time with children to produce a fantastic and confident production. To see how much the children enjoyed doing it and how much effort they all put into it was very emotional to watch. It was a very proud "mummy" moment. They were all winners in my eyes and a credit to the school.*

*Last night I had the honour and privilege of being with the children in the choir at the last choir singing competition. I would just like to say each and every one of the children was a credit to the school. I was very impressed with the maturity, behaviour and overall conduct all the children displayed. The performance that they then gave was amazing and flawless and bought a tear to my eye. I was so proud of them all. The time and effort that Mr Jones and Mr Boyd and the children have put into creating a fabulous performance needs to be applauded. To then see the joy and excitement on all their faces when they came runner up was priceless. It was a well-deserved achievement and a moment I bet everyone will never forget.*

*As a school you all go above and beyond to give the children amazing life experiences. You all deserve medals. Thank you."*

*"Just wanted to say well done and congratulations to Mr Jones, Mr Boyd and the choir for their fantastic performance and success at tonight's Last Choir Singing competition. They sang and performed wonderfully and it was a delight to watch and listen to them. I was very proud to be a grandparent supporter of the school. Once again, congratulations to all concerned."*

The project manager from the competition has sent us a message this morning: *"Well done, Carleton Green!!!!!! Your performances were superb. Your award last night was very well deserved and I am delighted that you are coming through to our Final on Friday 16th June."*
