Issue 107 Week Ending 11th May

Our Year 6 pupils have been marvellous this week. They have approached their tests with a wonderful attitude; showing true resilience. I along with their teachers am very proud of their hard work and effort. I hope they all enjoy a well-earned rest this weekend.

The choir and dancers performed beautifully on Wednesday evening when welcoming our new parents to our school. The Heads and Deputies too did a brilliant job showing them around their new school. Thank you for assisting us by bringing your child to and from school in the evening. Having the children's input made the evening all the more special.

We held our PTFA meeting this Thursday evening to discuss the up and coming PTFA events. I know that not all are able to attend such meetings but if you are able to assist with the organisation or running of any event please let us know. Any help is welcomed.

Our next planned meeting date is the 15th June at the Castle Gardens at 18:00.

We have planned to hold a BBQ after our Sports' Day on the 6th June (reserve date is the Thursday) and are hoping that you will all stay to enjoy an evening together. Refreshments will be available throughout the afternoon with ice lollies. The bar and BBQ will open as school closes and is scheduled to run from 15:30 until 18:00. We are faced with the task of ordering the burgers and rolls for this and wonder whether you would be willing to assist us in gauging a rough idea of numbers to prevent food wastage?

The next event will be our summer fair on the 1st July. Information will be coming soon about what is needed and how you can help us with this. We are to hold a non-uniform day on the 26th May.

We are to be organising next year's classes very soon and please ask that you inform us of anything which would assist us in ensuring your child has a settled year.

Gentle Reminders:

Safety Notice:

We have found that we need to kindly remind all that our carpark must not be used for dropping off or collection purposes. Please park on the roadside.
