Issue 108 Week Ending 19th May

Our Year 6's have enjoyed their well-earned end of school residential. The Waterpark has made a fabulous venue for the children to experience a wide range of outdoor pursuits.

I thoroughly enjoyed my day spent with the children. I arrived at half past seven to be greeted by happy, keen, excited outdoor adventurers. All the Year Six pupils were participating fully in all that was on offer and enjoying every moment. The mountain climbs were challenges that some have never experienced before yet each got to the top to savour their lunches (or chocolate thanks to Mr Powell!!!)

The food and accommodation were of a very high standard and I am sure that the children will have lots of stories to share about all they have done.

Already we cannot wait to go again next year!

Garden Update: Mrs Hicks is working hard with the assistance of her club and parent helpers. It is looking good. We wonder if anyone has a compost bin they would like to donate to us so that we may be a little more self-sufficient.

Our camping trip to Scarborough is our next excursion for our Year 5 pupils. Mr Cooper will be holding a meeting soon for the families to run through the plans. Our camping club that runs on Thursdays requires a little assistance as we need rocks to build our campfire. If anyone is able to bring rocks to help with this we would be very grateful.

Just a reminder of Poulton Gala day on Saturday 3rd June - if you haven't yet responded and would like to take part in our parade please let me know. This year's theme is Nursery Rhymes and yet again we will be judging best fancy dress. As previously mentioned we cannot accommodate articulated lorries this year and the forthcoming years. The Gala Parade start and route will be the same as last year – we will send details nearer the time. Please spread the word to anyone you think may be interested in taking part.

Mandy Davies
Poulton Gala committee.

Gentle Reminders:

Safety Notice:

We have found that we need to kindly remind all that our car park must not be used for dropping off or collection purposes. Please park on the roadside.
