Issue 109 Week Ending 26th May

We are getting somewhat panicked by how quickly the term is flying by and we have so much yet to fit in! Our Year Two children have worked so hard showing off their learning this week. We are very impressed by how well they have done. I have also thoroughly enjoyed working alongside the children. They were prepared well and have demonstrated a good level of understanding.

We enjoyed a fabulous visit from our local author Dan Worsley. The children were literally spell bound listening to him as were I and the teachers! He is blown away by the overwhelming support you showed with his book signing and has invited all to attend another of his story telling sessions. This is to be held at Poulton Library on the 27th July at 14:00.

Thank you very much for sending your child in with items for our summer fair. Members of the PTFA are working tirelessly behind the scene to make it a special event.

After the holidays we ask that you please remember to send your child in with hats, water and suncream. This is obviously wishful thinking that the sunshine will continue beyond today! We hope that our sports' day will take place on the Tuesday as planned with our BBQ too where we can all enjoy being together. If it is a success it is something we can continue to do every year.

Please have a look at the list of clubs that are to be available for your children to attend for this last half term. Use the link below to book your child a place. All clubs will begin on the second week back after the holidays on the 12th June. The booking form will close on Monday 5th June .
