Friday 23rd March ~ Open afternoon for families from 13:30 with a finishing time of 14:30 for the Easter break.

We have been successful in our search for someone to join our team after the Easter holidays to support the teachers, children and our families to provide the best possible outcomes for children identified with having an additional need. Mrs Jane Oddy is currently the well-established SENDCo in Boundary Primary School where she has helped improve outcomes for pupils for many years. She has the experience and knowledge required to help our school improve as we want, and we are very excited to have her join our team.

On Tuesday 23rd February the NSPCC led our whole school assembly, making our children aware of the work they do, how childline works and how children have a right to speak out against abuse. Since then they have visited us again to deliver a workshop with Y5/6, this workshop complimented the work they have done previously as part of our KIDSAFE programme and deepened their understanding of how to safeguard themselves against abuse.

As a school we all enjoyed taking part in a sponsored Maths Day last Friday. Thank you to the 30% of our families who became involved and have already sent their sponsor money in. Yesterday, the NSPCC came to collect and count the money and so far, we have raised an amazing £1,500! They will return to school on Thursday 22nd of February for any remaining sponsor forms.

Please look at the details on the club timetable for the next half term.
