Summer Term Dates:

Monday 9th April ~ School Reopens after Easter

Reports for attainment, effort and targets for the coming term's learning will be sent home on this first Monday back.

Tuesday 10th April ~ Parent Forum to be held at 15:45 – 17:45 in the school hall. The aim of this after school session is for us to actively work together to share ideas to further improve what is currently taking place. I really hope that you will feel this to be a beneficial use of your time and join us. During this session you will be able to meet our new SENDCo Mrs Oddy.

Wow! What a fabulous few weeks Carleton Green have had! Our Choir performed brilliantly on Friday evening and were awarded Runners Up in the regional heat of The Last Choir Singing event. We are certainly looking forward to the finals in Blackburn.

The pupils selected for Team Carleton at the Top of the Wyre Quiz last night were great scoring full marks for the mathematical round!

The Years Three and Four production was absolutely wonderful. All the children clearly enjoyed participating and put on a fabulous show for all to enjoy. Well done to all the Lower Key Stage Two team as obviously a lot of effort had been put into creating such a polished performance in such a short amount of time.

On Tuesday 20th March 2018, our talented dancers took part in the Wyre and Fylde Dance Competition. They came second (on points) out of 12 primary schools but WON overall for the top primary school for Wyre. They are now being entered into the Lancashire Dance Finals in May, which will be in Preston. We are SO proud of you all. You were all stunning! A huge thank you to the parents for all their help and support with costumes, transport and props...and for your lovely emails! Please have a look on the blog for more photos!

What a busy week of sport!!!

During the week we have been busy raising money for Sports Relief!! The children have been completing miles everyday and at time of writing we are only 900 miles short of our 4500 miles target. Special thanks for all efforts and to all of you who contributed to by riding on the exercise bike. Thanks also to Poulton YMCA for loaning us the equipment, Mr and Mrs Nutton for making contact with them and to Mr Powell for transporting it.

On Wednesday our Netball team played in a rally at Hodgson School. They performed very well and represented school beautifully.

On Monday and Tuesday of this week we have held interviews for a Deputy Headteacher to be appointed to join us in leading our school.

We are thrilled to share with you that we were able to make a successful appointment and are very much looking forward to Miss Murray joining us in September. She currently works at the Harris Primary School in Preston as their Year 6 teacher. Her passion and dedication to secure the very best outcomes for pupils was evident in all the aspects of the interview process. Her own classroom practice and environment was viewed to be outstanding and her keenness to join our school in its journey to outstanding was tangible.

Mrs Stock was not being cruel but the children were finding out about bubbles!

Lots of scientific work took place last week including with our youngest learner. The Ducklings were investigating the best material to keep Baby Bear dry in space, exploring making human sized bubbles outside, Investigating making different sized moon crater in the moon flour, going on walks to look for signs of spring and new life, making a bubbling planet Mars and investigating making rockets fly by blowing through straws.

The infant children have made bug hotels and birds nests whilst looking into habitats.

The Year Threes and Fours have been investigating 'poo' which looked repulsive. They were required to identify the period it may have come from.

We really want to further our learning beyond the classroom and ask that all children bring suitable clothing and footwear to keep in school, that will protect their uniform along with keeping them warm.
