Wednesday 25th July ~ End of Year Assembly

Close for summer at 14:30

Thank you to the Duke family for their fabulous efforts in the successful removal of the rotten playground seating. I have learned that it was not the simple task we had thought – the space looks so much better without them.

I have seen some super writing this week from Ducklings' Classes and am most impressed by the progress these children are making. The children that have worked with Mrs Hicks for their outdoor learning sessions have been so enthusiastic about all they have done. We are very much looking forward to seeing our grounds improve over time. The four pots at the front of school are being taken over by each of our four phases with the theme being seasons. These are to be judged by Mr Hudson (The Plant Place /William's Dad) in the last week of the summer term. However, if anyone has any spare time of their hands and fancy doing a spot of weeding at the front of our school we would be most grateful (tea/coffee refreshments would be available).

Thank you to those parents that were able to attend the drop-in sessions regarding the Year 2 SATs. We haven't made it a big focal point on the dates section of our newsletter as the testing process in our school is kept low key to prevent unnecessary anxiety. It is anticipated that the children will carry out these assessments during the week of the 21st May. Please do not worry unduly about these as they simply form part of our ongoing tracking of pupil progress in our school.

Great Plastic Pick Up

We are having recycling bins delivered to our school next week and would like you to bring your recycling to school from Wednesday to Friday to see how much we can collect as a school. Over the week we would like you to assist in tidying the local area by picking up plastic rubbish to recycle. Send in pictures of your contribution to the War on Plastic.

Issue 144 Week Ending Friday 4th May 2018

We are holding our annual New Induction Evening on Wednesday 9th May. This is an evening where we invite our new families to our school to learn about what life at Carleton Green is like and what they are to expect in the early days. We have asked some children to attend this as a representation of our school-Choir, our Cheerios and dancers along with our Heads and Deputies. We are grateful to those that are enabling them to attend in the evening.

 School Dinners ~ We have made a move to pre-ordering lunches throughout the school so that all children are in receipt of a lunch they would like. We have noticed that nuts are being provided in some lunch bags and ask that this does not happen. We have children in our school that have nut allergies. Also, please ensure drinks are brought in non-glass containers.

Family Fun Thursday 24th May
