We are really pleased with how well the children have settled into their new classes and the expectations of their new year groups. Please use the home school journals to communicate with your child's teacher about any successes or concerns you have. We have a busy term ahead with lots planned for your children. Details about intended trips with costings will be shared with you this week on the normal Friday newsletter. Children in Year Four upwards are to also have a residential trip organised to provide the children with a broader range of experiences and further develop their independence skills.

Issue 154

Friday began with our local author; Dan Worsley, bringing stories to life for the older children with the younger classes going outside to explore the Dragon's nest that had been left in our playground after the windy night before! The children then spent the day investigating and writing, ending with a whole school assembly to share their work.

## Miss Murray's section:

It has been another busy but fantastic week in school. All classes are now getting into a good routine and exciting learning opportunities have already begun. Today has been our Reading Day and it has been brilliant watching the children explore the dragon's nest and work with the author Dan Worsley. IDL is still proving difficult to access from home but please make sure the website is [www.idlsgroup.com](http://www.idlsgroup.com) and the app no longer works.

## Whole School Attendance Policy

### 1. AIMS

At Carleton Green Community Primary School, we aim to create an interesting, stimulating and friendly environment, where each individual can feel secure and valued and will develop his or her potential.

We strongly believe that we are preparing children to participate and contribute to both their local and wider communities. Our continuing success depends on a partnership with them and between children, their families, school staff and governors.

Issue 154

Carleton Green Community Primary School seeks to ensure that all its pupils receive a full-time education which maximises opportunities for each pupil to realise his/her true potential.

All school staff will work with pupils and their families to ensure each pupil attends school regularly and punctually.

For our children to gain the greatest benefit from their education it is vital that they attend regularly, and your child should be at school, on time, every day that the school is open unless the reason for the absence is unavoidable.

It is very important therefore that you make sure that your child attends regularly, and this Policy sets out how, together, we will achieve this.

## **2. WHY REGULAR ATTENDANCE IS IMPORTANT**

Any absence affects the pattern of a child's schooling and regular absence will seriously affect their learning. Any pupil's absence disrupts teaching routines so may affect the learning of others in the same class.

Ensuring your child's regular attendance at school is your legal responsibility and permitting absence from school without a good reason creates an offence in law and may result in prosecution.

Please look at our website to read our full policy.
