**Parking Notice – please do not use our school car park at any time and please be considerate to our neighbours.** I find confrontation awkward at the best of times and would really like to avoid any upset at the start and end of our days by having to discuss parking. Our School Carpark is private land that is designated for the use of staff working at our school only. Despite our having two bays assigned for disabled use, they are not for public use. However, if any of our families need to use our carpark at any time for a specific reason, simply notify the school office and we will assign a school parking badge. We would also ask that you use the path outside of the school grounds to walk the children into school and not use the car park as a cut through as this is dangerous for all concerned.

We are looking at the options available to us for securing our car park but in the meantime we will be locking the gates. Access will only be granted to those who have a genuine reason to enter the car park and who have approached the school and obtained a parking permit.
