Mrs Claydon visited school this week to see how the children were doing. We are pleased to be able to report she is starting to feel much better and will be back with us in readiness for September. Miss Wilson has been fantastic covering her absence and will remain teaching in the Robins classroom to ensure continuity for the children.

It is anticipated our library will be painted over the holidays and will be ready for our planned opening on the 10th June. To mark this event, we have invited our local author, Dan Worsley, into school. We would like to celebrate our love of reading by holding a belated World Book Day and ask that the children come dressed up as a character from a book. Please don't go to any expense for this event but simply try and make something that has a resemblance to a character from a well-loved book. I also would really like photographs sending in of children reading over the half term holidays to display around our library.

I have been incredibly proud to learn about our pupils being commended for their photography skills:

Highly Commended - Junior Section : Eleanor Jessop "Just Keep Swimming..."

We would like to hold a parent forum to get a parents' voice perspective into how best to support challenging behaviour within our school. I have had to alter the date from the 20th June to the 18th June. We are finding we are experiencing increasing cases of challenging behaviour coming into school with our young children and when investigated more fully it is becoming more and more apparent that the difficulties are stemming from parenting difficulties rather than there being a medical cause. All parents know that children do not come with a manual and so from time to time parents may struggle to know how best to promote positive behaviour effectively. School will always endeavour to support these families. The link below will take you to a service provided by Lancashire that could help:
