

Competition Time

We would like some artistic numbers creating for our home-school agreement please. If your child is particularly arty and would like have a go we want colourful numbers 1-10 being drawn. In addition to this we would like three separate illustrations of a teacher teaching, a family scene and one of a child learning. Entries need to be sent into school to Mrs McGrath by Friday 23rd.

Each digit needs to be 1.5cm high by no bigger than 1cm wide (as shown in the example below) and the illustrations for the three images must be 3cm x 3cm please. The winning designs will be announced in our celebration assembly and will be published in our new reading records. Please be as creative as possible; the more colourful the better! Have fun!!

For example this could be the digit 1:

We have had a great week with lots of wonderful work taking place around school. The children have made a very settled beginning. All extra-curricular activities have started as well and we hope that your children have enjoyed taking part. If your children forgot to attend they may start next week. The Wake and Shake sessions looked brilliant! Lots of energetic children along with Miss Howarth enjoyed this lively start to their days.

Gardening Club is to start next week on Wednesdays. If your child would like to attend simply send a note into school to provide written permission. The session will end at 16:30

Our website is added to all the time with class news and events taking place, however we feel that the pictures now look outdated as they are of the old classrooms with children wearing the old uniform. We hope that these will be altered very soon. In the meantime could I please point you in the direction of looking at our Behaviour Policy. It is revisited every year and I would like to know if it reads clearly to parents and if there are any elements you would like including in this year's version? Thank you. The children have made their contributions already with their class charters and ideas for active playtimes. We are to send out a questionnaire soon to ask specific questions about behaviour in our school and hope you will contribute to help us be better informed.

This week we found a small amount of dog faeces on our playing field. Obviously this carries a health risk to our children and therefore we politely ask that all dogs are kept outside of the school grounds. Thank you.

What a fantastic week we have had this week.

I had a lot of playground designs handed to me this week, thank you very much. One of the common designs was to have a tennis court. We were very excited after our playground markings were completed this week and the children have really enjoyed using them and being creative at lunch and break time. I think you will all agree it makes the playground look very colourful and will encourage the children to be active.

Here is a snapshot of one lunch time this week:

Thank you to those Year 5 children who have expressed an interest in being a PAL this year. I am so impressed at the quality of letters I received. I will let you know next week who will be offered the PAL training and when it will be. Thank you again! Wake and Shake was a huge success this week, it was so lovely to have a mix of ages. I cannot wait to see more of you join in next week. Doors open from 8:30am Monday-Wednesday. If you would like a particular song write it on a post-it note for me.
