## Issue 95 Week Ending 13<sup>th</sup> January 2017

We hope you all enjoyed the Christmas break and wish you all a very happy and prosperous new year. Thank you very much for the thoughtful gifts sent into the teachers. They are very much appreciated. It has been an incredibly busy start back hence the delay in getting this sent out.

I have been spending the first few days back analysing our school data. Our pupil progress is looking good with all classes attaining well. Parents' evenings are due soon and we hope that you will all be able to attend to discuss your child's attainment.

The year sadly began with the loss of Mrs Errington who was suddenly taken from her family. This tragic event has rocked school and our thoughts are very much with Mr Errington and his two children. We want to show our continued support through our charity work from this point onwards supporting the work carried out at Trinity Hospice. The service held at St Chad's Church on Wednesday was lovely and it was comforting to see so many supporting the Errington family.

Miss Clarkson is due to be leaving us shortly to have her baby boy and we are lucky to have appointed a successful temporary replacement teacher. Mrs Gregson has been teaching in a school in Burnley as an infant teacher and is very much looking forward to joining the Carleton Green team. She will be spending some time with us on Wednesdays to get to know the children in Heron's class and to familiarise herself with our systems and high expectations. Mrs Gregson will remain with us until the return of Miss Clarkson.

We also have a three student teachers carrying out their vital teaching practices in our school. They are working in our infant classes. Each are supported by their class teachers and mentored by Mrs Catterall. We are sure they will enjoy their time with us and learn lots.

It is only a short half term and we have lots to fit in starting with a football tournament scheduled for Tuesday. Clubs are also due to start this coming week so please send in your permission slips as soon as you can. We ask that if your child is signed up to attend that they attend for the duration of the term. Some clubs are on hold until both the weather and daylight hours improve.

<u>Staff Member</u>	<u>Club</u>	<u>Equipment children need to bring</u>	<u>Day, Time and Place</u>
